FRONT

Print double-sided and cut each card. (You may need to adjust your printer settings to align the front and back.) OR, print on separate pages then cut and paste the card backs to their fronts.

Once assembled, hang in numerical order from clothespins and twine. We recommend five rows of five. (Or display however works best for your space.)

Bring a little sparkle to your holiday by flipping one card daily starting December 1st to reveal a new festive read aloud and an activity prompt that goes along with the book.

Keep an eye out for giveaways you can enter all month long on our social media channels!
