

Countdown to 2021!

2020 has been an unforgettable and unusual year, but through the ups and downs we've had books as our constant companions!

Use found items in your home, like coins, or buttons to work on counting skills with your youngest learners (18 mo+), then use larger groups to practice making sets of 10 up to 100 (4+).

Lynx focuses on finding and using your voice to help change the world! Channel that inner voice and focus on a way you made a positive impact this year on our 2020 Memories activity on the next page!

My 2020 Memories

1 wish for 2021:

2 ways I made a positive impact:

3 happy memories:

4 friends I played with (virtually or in person):

5 places I visited:

6 songs I sang along with:

7 things I watched:

8 favorite foods:

9 books I read:

10 ways I felt:
