Martin's Big Words

Listen, Engage, and Inspire

We celebrate the life and legacy of Dr. Martin Luther King, Jr. with this wonderful biography by Doreen Rappaport.

Martin's Big Words is illustrated by Bryan Collier, who is an award-winning illustrator with a distinctive watercolor collage style. Learn more about Collier's illustrative process in this short [video](#).

Bring Martin's words to life by listening to a short excerpt of one of his [speeches](#) and using primary [sources](#). Take inspiration from Dr. King's words and create your own [collage](#) to share how he has inspired you!
