# Thank you,

**FOR TAKING THE NEXT STEP TO  
CREATE A LIFELONG LOVE OF  
READING IN YOUR STUDENTS!**

We can't wait for you to see your little learners on the edge of their seats, giggling uncontrollably, as they listen to you read aloud while Novel Effect follows along with interactive music, sound effects and character voices.

**Bring the story to life.  
As easy as 1-2-3.**

PLAN NAME	INCLUDES	PRICE
Educator	1 teacher	\$39
Classroom	1 teacher & students*	\$99
Whole School	All teachers	\$499
	All teachers & students*	\$899

\* Devices authorized by the educator as a classroom or student device are logged in anonymously—no personally identifiable information is collected.

## 1 SELECT A BOOK

Choose a book from your existing library. Then search on the Home screen in the Novel Effect app.

## 2 PLAY

Tap **PRINT** to get started  
When you hear the start chime, Novel Effect is ready to follow along as you read aloud.

## 3 READ ALOUD

It's magical! Your students will hang onto your every word as the jungle dances, dragons roar, and the music captures their imagination.

## PRO TIP:

Connect to a Bluetooth speaker for an immersive audio experience
