

# TURN UP THE VOLUME ON LITERACY IN YOUR SCHOOL

With Novel Effect, traditional read-alouds transform into multi-sensory, fun experiences for all learners. Interactive soundscapes and book activity plans integrate seamlessly into existing curriculum and lessons, so teachers can focus on literacy skills.

ADDS MUSIC & SOUNDS AS YOU READ-ALoud

The kids love it, guest readers love it, teachers love it!

**I love that I can use Novel Effect with every grade level, my bilingual Spanish speaking students, and special education students, too!**

- Jennifer G., Educator
